Dear

Prayer is something we all engage in at one time or another. It may not always look the same but we all reached a place where we just need help and have exhausted all earthly resources. Even when do not know if 'anyone' is listening or if we are convinced the master of the universe is standing by to hear the pleas of our heart... we all have some experience with prayer.

I would like to share a resource with you this month. I am not promoting for my gain as I receive no royalties personally from the resource I'm sharing. I am promoting for your gain and for the gain of those we serve.

Chicktime serves the marginalized of our society. The abused. The homeless. The downtrodden. These folks have all reached a place where they need help and have exhausted all of their earthly resources. I began praying over the children we serve, my own children, the children the world over, YOU and all people for that matter many many years ago. I would write out the prayers and email them to anyone who wanted to pray along with me.

This past year, I was moved to make the prayers available to the children we are praying for as most do not have regular internet access. And so I wrote them down in a book. The book is available on Amazon.com (click the image of the book for a link). I encourage you to get a copy for yourself and pray along with us. Many of you are unable to attend a Chicktime event or get involved with a chapter... and so here is a very powerful way to make an impact. Pray with us over the children and those we serve. If you would like to provide a copy of the book to one of the children we serve, just mail \$5 per copy to me and I will get your copy to a child. The mailing address is: Chicktime, P.O. Box 1885 FM 2673, Canyon Lake, TX 78133.

Joyfully and with love,

Lori Rhodes
